NOTICE OF ACTION

Notice is given under SEPA, RCW 43.21C.080, that The Washington State Parks and Recreation Commission took the action described in (2) below on August 24, 2006.

1. Any action to set aside, enjoin, review, or otherwise challenge such action on the grounds of noncompliance with the provisions of chapter 43.21C RCW (State Environmental Policy Act) shall be commenced on or before October 6, 2006.

2. Description of agency action: Adoption of the proposal described below for Pearrygin Lake State Park near Winthrop, Washington

3. Description of proposal: The proposal seeks Washington State Parks and Recreation Commission approval of: a) long-term boundary; b) land classification; and, c) facilities concept plan at Pearrygin Lake State Park (described in greater detail in the environmental checklist). The action includes:

a) a long-term park boundary for Pearrygin Lake State Park that includes certain private and additional public lands near Pearrygin Lake State Park in Okanogan County. The long-term boundary of the park represents that area which the agency deems desirable for management, consistent with the park mission.

b) a specific land classification system for properties within the long-term boundary. The purpose of Land Classification is to provide general policy guidance to staff on appropriate management and use of land holdings in the state park. The land classification system was revised in October 1995, and is codified under WAC 352-16.

c) approval of a facilities concept plan to guide future development within the park.

4. Location of proposal: Pearrygin Lake State Park. Administrative offices for Pearrygin Lake State Park are located at 861 Bear Creek Road, Winthrop, Washington 98862. Properties affected are included within: T34N and R21E, Sections 1, 12 and 13; T34N and R22E, Sections 6, 7 and 18; T35N and R21E, Sections: 25, 26, 35 and 36; and T35N and R22E, Sections 30 and 31.

5. Type of environmental review under SEPA: Determination of NonSignificance (DNS) dated June 19, 2006. Environmental Checklist and Supplemental Sheet for Non-project Actions dated June 14, 2006.

6. Documents may be examined during regular business hours at the Washington State Parks and Recreation Commission, Headquarters Office, 7150 Cleanwater Drive SW, Olympia, WA 98504-2650 or by visiting the Washington State Parks website at: <http://www.parks.wa.gov/plans/pear/> and looking under miscellaneous documents.
